### **Attendance**

We aim that every child has at least 90% attendance over the school year. The Education Welfare Officer (from the EA) monitors this closely. If your child is off school, please send in a written note to the class teacher to explain why they were absent, or email the school info account immediately upon their return. The school needs written confirmation of why your child is absent.

Many thanks for your support and co-operation.

If you need to speak with a member of staff, please telephone/email the school account to make an appointment that is **mutually** agreed by both the staff member and the parent. We will always endeavour to solve anything you may have a query about quickly and get to you as soon as possible in a kind and professional manner. Like all public sector worker, we have a **ZERO** tolerance approach to verbal attacks and harassment in the workplace.

We wish you a safe and happy Summer Holiday.

Many sincere thanks for all your support it's been a very challenging year for everyone and we appreciate your great support. We look forward to seeing you all for 2022/2023 school year.
